Changes to Bookings

The number of tickets in your booking can be changed up until the invoice payment due date. Additional seats are subject to availability.

Once your invoice has been paid, the booking is considered final.

Tickets cannot be refunded once payment has been made except due to Covid-19 level changes. We have strict Covid-19 procedures in place and all show tickets are either refundable or transferable should the show require cancellation or rescheduling due to Covid-19 alert levels.

If parents or other family members wish to attend as part of the group and pay the discounted price, they must request tickets via the person in charge of making the original booking at the School/Early Childhood Education provider and be included in the group booking that is to be paid by the School/Early Childhood Education provider.

All ticketing changes must be finalised and paid for at least 48 hours prior to the date of the performance. After this time additional tickets may only be purchased online by credit/debit card or at the box office as an individual booking at full price.

Discounted school term tickets cannot be sold to individuals e.g. to parents wishing to bring other family members along with a school or pre-school group.
